DECLARATION

I agree to the following conditions governing grant of Import License for transmitting / trans receiving apparatus:

- (1) As possession of wireless equipment with a licence is an offence, application for possession of a licence will be made to the Zone Communication authorities, on getting equipment cleared from the customs.*
- (2) That the set will be operated only with an operating licence issued by the Ministry of Communications.*
- (3) That the grant of an import licence does not mean that an operating licence will also be granted to me.*
- (4) That full technical details including frequency on which that set works and R.F. power out put of the set will be intimated immediately after its clearance from Customs.*
- (5) That I am prepared to pay on demand royalty fee at the rate to be decided by Government in addition to the operating licence fee of Rs. 60.00/- per annum or a portion thereof, in case the set is used for commercial purpose and/or R.F. power output is found to be more than 100MW.*
